Remarks by the Deputy Commissioner

A reasonable request, as most of these Local Bodies can hardly make both ends meet.

App. F III—2] of 1928

Serial No.

5 The main file has been received back from the Chief Engr with the remark that it is not desirable to make any alterations in the Scale fixed & the file seems to have been received for orders the return of the file will be awaited for a short time if approved

Mr 20/5 RGan 21/5

6 The connected file with the Chief Engrs opinion is put up, stating that it is not desirable to create a bad precedent & that the rate now fixed need not be changed In connection with a Lorries request made by the Company and as the Member has ordered that (The request is not admitted & that the rate as fixed as regards the Mel Lands are subject to great wear & tear). The same reply may perhaps be given to this request also.
